Instructions on how to create and submit online eSRF Project Financial Assistance Applications (PFA) for Loans and Grants

***Please note that all pictures on this instruction document are just examples. Information on pages is subject to change, especially dates.**

If you have not created an account yet, please read the [Welcome to eSRF – Login Instructions.pdf](#)

Tool Tip: To increase your browser viewing size, hold the Ctrl key down and press the + (plus) key to increase zoom view or the – (negative) key to decrease zoom view.

You will next see the magnifier glass icon appear in the URL search bar to increase or decrease zoom view.

The screenshot shows the eSRF Portal Login Page. At the top, there is a green header with the MassDEP logo and the text "State Revolving Fund (SRF) Program". Below the header, there is a "Tasks" section with two buttons: "Login to eSRF" and "Login to eSRF as DEP User". A yellow callout box points to the "Login to eSRF" button with the text: "For new eSRF users, Click here to start". Another yellow callout box points to the "Login to eSRF as DEP User" button with the text: "For all past eSRF users, you will need to clear your browser's cache first before logging into portal otherwise your browser will not show the eSRF Portal correctly." A blue callout box points to the bottom of the page with the text: "Please be advised: When using the eSRF Portal, use the menu links and/or the navigation buttons located at the bottom of the pages. Avoid using the forward or back browser arrows for navigation." The main content area contains a notice about clearing the browser's cache, followed by announcements for the 2025 IUP and 2024 PFAs, a welcome message, and links to login instructions and PFA instructions. The footer contains the version number, address, and email.

Notice: Clear your browser's cache for the eSRF Portal

If you are a past eSRF user, please clear your browser's cache before logging into the portal. [Please use this link for full instructions.](#)

The Project Evaluation Forms (PEFs) for the 2025 IUP - Solicitation is now open.

The 2024 Project Financial Assistance Applications (PFAs) for Loans and Grants are now available. Planning applications are accepted on a rolling basis and do not require a PEF (except for Asset Management Planning projects).

Welcome to eSRF

For **NEW** users and **past eSRF** users before trying to log in, please email SRFMADEP@mass.gov with your name, company name, Headquarters' address, your phone number and your email address with "Requesting Access to eSRF for PEFs" application in the subject line and/or "Requesting Access to eSRF for PFAs" application. The SRF Data Support Team will email you back a confirmation email once your eSRF application access set up has been completed for your email address.

Click here to open menu options.

5h 7m 27s)

The screenshot shows the website for the State Revolving Fund (SRF) Program. At the top, there is a green header with a leaf icon on the left, the text "State Revolving Fund (SRF) Program" in the center, and "MassDEP" on the left and "Welcome SRF MassDEP! Home MyeSRF Logout" on the right. Below the header, the main content area has a title "State Revolving Fund Applications & Forms". The text below the title states that the Massachusetts Department of Environmental Protection (MassDEP) is pleased to announce that the State Revolving Fund (SRF) Project Solicitation and loan/grant application period for clean water (CW) and drinking water (DW) projects seeking SRF financing is now open. It then provides details for Project Solicitation and Project Loan/Grant Application. A section titled "Project Financial Application" is highlighted in light green. To the right of this section, a red text box indicates the filing deadline: "(Filing closes for the 2024 IUP Projects in 1445d 14h 3m 28s)". Below the "Project Financial Application" section, there are three menu options, each with a pencil icon: "Create Financial Application for IUP Projects", "Create Financial Application for Non-IUP Projects", and "Edit/View Existing Financial Applications for IUP/Non-IUP Projects or Report". A yellow callout box points to the first menu option, stating: "Step 1: For a new Project Financial Application (PFA) for a Final Intended Use Plan (IUP) Project, click here to open menu options." A blue callout box points to the "Project Financial Application" section, stating: "Deadline for Project Financial Application (PFA) for Final Intended Use Plan projects appears here." At the bottom of the page, there is a footer with the text: "v1.5.0 100 Cambridge St. Suite 900, Boston MA Email: SRFMADEP@mass.gov".

2024 Drinking Water Construction: SOMERSET DWSRF-16842

Last Modified ping yee 5/5/2024 4:07:02 PM

Introduction

Application for Financial Assistance Drinking Water State Revolving Fund – Construction Stage

Applicants should note that neither the filing of an application nor issuance by the Massachusetts Department of Environmental Protection (MassDEP) of a Project Approval Certificate (PAC) constitutes a binding commitment of the Massachusetts Clean Water Trust (Trust) or MassDEP to a make loan and/or award a grant. Binding commitments, subject to the availability of funds, will be issued by the Trust after review of the financial information contained in the application.

Please see the [Instructions and Guidance document](#) for help in completing this Financial Application.

PLEASE READ THE FOLLOWING INSTRUCTIONS CAREFULLY BEFORE STARTING

- 1) Please use the "SAVE" button to continue application form at a later time.
- 2) Do not use the back and forward arrows on your browser when navigating, always use navigation buttons on the bottom of screen.
- 3) Please be advised that the "SUBMIT" button will formally close your application and a confirmation email will be sent to you.
- 4) Remember to upload your supporting document files in the Required Documents section of the application form.
- 5) If you do not plan to submit this APPLICATION, please put note into comment box below "NOT SUBMIT THIS APPLICATION PLEASE CANCEL".

The following 2 pages gives explanation of Funding by Clean Water Category (Need) and Project Type.

Hover mouse over page items to get tool tip information.

Report the amount of the project funding that will classified under the Water Efficiency GPR category. This category includes the costs associated with projects that use improved technologies and practices to deliver equal or better service with less water. Examples include install of AMI systems, distribution system leak detection equipment, plumbing fixture retrofits or replacement, water efficient appliances, water efficient irrigation equipment (e.g., moisture and rain sensing equipment), water audit, water conservation plan and education programs.

Required Documents Instructions:
Please review the list of required documents. Upload them or mark them as **To be submitted later** with a note about their status (e.g., "4/1/2024 John's Note: Waiting for signed copy" or "5/1/2024 Mary N's Note: Waiting for town to send copy"). If a document isn't applicable, leave a note for the DEP Reviewer and mark **To be submitted later**. Once the application is as complete as possible, go to next page to click on **SUBMIT** button.
After the DEP Reviewer completes the review, if there are any discrepancies, the application will be placed into "Review Required" action and you will receive an email notification. Make corrections and upload document(s) needed, then **SAVE** and **SUBMIT** the application again.
You may only upload files in PDF file format. File name cannot exceed 50 characters and should not contain **** : < > ? \ | & ()** If your file size is greater than 200 MB, please email SRFMADEP@mass.gov for help.
